

JASON WEINER

646-734-5267 | voiceover@jasonpweiner.com | Jasonpweiner.com

As a professional voice actor since 2011, I combine natural approachability with a hip slightly textured sound that brings dynamic energy to all of my projects. My versatility and extensive experience have contributed to a wide array of national and international brands, via commercials, elearning, explainers, corporate narration and video games.
